Partecipanti: **min. 2**

Type of experience: **City Tour - Private guided excursions**

Activities: **Art - Guided tour**

Guide: **Guide included**

Departure from: **Bergamo**

Departure dates: **Every day of the year**

ITINERARY

Lower Bergamo

09:00 – Meeting with the guide at the hotel

Your experience begins at Hotel San Marco, located in the heart of Piazza della Repubblica, one of the liveliest and most modern areas of the city. From here, you will walk along Viale Papa Giovanni XXIII, an elegant boulevard leading toward the famous Sentierone, the social hub of Lower Bergamo.

Along the way, among historic boutiques and refined cafés, the Teatro Donizetti rises into view, an impressive centerpiece of Bergamo's cultural life.

Bergamo Upper Town

10:00 – Funicular ride up to Bergamo Upper Town (tickets included)

A short but evocative funicular journey will take you to the gates of the medieval city. During the ascent, you will enjoy beautiful views over Lower Bergamo and the gentle surrounding hills.

Arrival in the Upper Town – Walk in the medieval heart

Once at the top, you will be welcomed by the magnificent Piazza Vecchia, a true architectural gem considered the symbolic center of historic Bergamo. Overlooking the square are iconic buildings such as the Palazzo della Ragione, the Civic Tower (Campanone), and the scenic Contarini Fountain, together creating a unique harmony of Medieval and Renaissance styles.

Just a few steps away stand two of the city's most precious monuments: the Basilica of Santa Maria Maggiore, rich in art and Baroque decoration, and the Colleoni Chapel, a splendid Renaissance masterpiece and a true jewel of Bergamo's heritage.

Climb to the Civic Tower (tickets included)

An unmissable ascent offering spectacular views over Bergamo Upper Town, the plain, and the mountains surrounding the city. From the square, the tour continues toward Porta San Giacomo, one of the most scenic gateways to the imposing Venetian Walls, a UNESCO World Heritage Site.

13:00 – Lunch at a traditional restaurant in the Upper Town (included)

A pleasant break to enjoy traditional Bergamasco cuisine at one of the city's characteristic restaurants.

Lower Bergamo

14:30 – Return to the Lower Town and back to the hotel

Descent by funicular to the modern part of the city and a comfortable return to the hotel, where a tour rich in art, history, and unforgettable views comes to an end.

SERVICE DETAILS

The program includes

- Half-day licensed tour guide.
- Roundtrip ticket for the Bergamo Bassa-Bergamo Alta funicular railway.
- Tickets for the Civic Tower.
- Lunch at a traditional restaurant in the upper town (3-course tasting menu).
