# Snowmobile tour

1 day

An exciting **guided excursion** with **snowmobile** that will introduce you to the white enchanted landscapes of the Alps. Our tour starts from **Madesimo**, a town in the province of Sondrio, at 1,550 meters above sea level. On board your snowmobile you will reach incredible places until 2,350 meters! **Wooden bridges, lakes, ghost towns, snowy forests and frozen streams**; this is a taste of what you will see along the way. You will reach the Swiss border on the **Spluga Pass**, the point of Italy farthest from the sea and on the way back you will pass through the magnificent **Lake Nero** that dominates the entire upper **Spluga Valley**. Before returning, you will enjoy a delicious typical lunch in a **mountain hut**. During the entire route you will be assisted and accompanied by **experienced instructors** who will tell you about the curiosities of the places and will guarantee you total **safety**. Prepare yourself for **strong emotions**, amazement and enchantment and be the protagonists of a fairytale day!
