### DAY 1

#### **Bellano - Pasturo**

On the day of arrival you will have the entrance ticket for the free visit to the Orrido di Bellano to visit in the morning, we recommend that you also visit the splendid Bellano and have lunch freely in one of the charming restaurants along the town's lake. In the afternoon, appointment at the historic mines of Cortabbio, tour and group explanation with the guide to find out how the extraction of Barite from the bowels of the Grigna took place. To conclude this beautiful day, a cheese tasting awaits you with a visit to the production at the Carozzi cheese factory, an excellent activity for the production of Valsassina cheeses.

### DAY 2

#### **Piani di Artavaggio**

The second day you can live a beautiful ebike experience to discover the mountains and nature. Accompanied by SIEB guides you will discover the beautiful route of the Piani di Artavaggio.

A perfect area for both muscular and electric MTB practice. Easy to walk paths and dirt roads also allow beginners to discover the beauty of these places between Valsassina and Bergamasca. An itinerary straddling two provinces to discover valleys, mountains and plateaus of authentic and real beauty.

Meeting at 09.00 at the Moggio cable car park.

Starting from Moggio the first kilometers are of asphalt up to the Culmine di San Pietro from which you descend in the province of Bergamo to the village of Avolasio. From there begins a beautiful dirt road, steep in certain points, which runs astride the Valtaleggio with spectacular views of the Orobie and the beautiful pastures and huts of the area. Once you reach the Artavaggio floors, you will climb decisively up to the Nicola Refuge, the highest point of the tour where we will have lunch. After admiring the beautiful mountains of the area including the Campelli zuccone, we will begin the long descent towards Moggio via a beautiful and never difficult forest road. A tour not to be missed for lovers of large spaces and fun.
